

13th Annual Pfizer/Novartis Resident Research Competition

**THE ANNUAL CARDIOVASCULAR CONFERENCE AT LAKE LOUISE IS PLEASED TO ANNOUNCE:
THE 13TH ANNUAL PFIZER/NOVARTIS RESIDENT RESEARCH COMPETITION**

COMPETITION DATE: SUNDAY, MARCH 16, 2008

TIME: 3:00 – 4:30 PM

PLACE: FAIRMONT CHÂTEAU LAKE LOUISE

Objective: To support and encourage case-based clinical research and ongoing cardiovascular education at the cardiology resident/fellow level in Canada

Criteria: Candidates must submit the results of a research project based upon a case-based clinical question. The research must involve an hypothesis and the resultant work completed to test the stated hypothesis.

(basic research, clinical research, or review of evidenced-based medicine)

Submit: A one page abstract by January 31, 2008 to the address below.

Award: Four finalists will be selected to present in 20 minutes their project to a distinguished panel of ACCLL faculty. The winning submission will be presented to the conference on Wednesday March 19, 2008. Travel, accommodation, and ACCLL conference registration will be supported for the finalists from a restricted grant.
