

New Developments in ACS Management: Where do we Stand Today?

Château Lake Louise, Alberta

Monday, March 17, 2008

7:30 p.m. – 9:30 p.m. (Buffet Dinner: 7:00 p.m.)

Mount Temple Ballroom C

Learning Objectives

- To assess up-to-date evidence in antithrombotic and antiplatelet therapy
- To evaluate and discuss the merits of the recent guidelines for UA/NSTEMI patients
- To determine an optimal treatment algorithm for patients on anticoagulation therapy from first presentation to intervention
